"Party Time - Krystal 93 Rotary BBQ"

Next Friday and Saturday, the only place to be is beautiful downtown Dillon for great music, food, drink - and helping "make good things happen" as you enjoy working with your fellow Rotarians. Our Krystal 93 Rotary BBQ in Dillon is less than a week away, and I'm looking forward to working with all available Rotarian volunteers next Friday and Saturday to help make it a great success. As mentioned during last week's program, we have dropped the competition element of the event this year. Our main reason for doing so was money. We netted less than \$10,000 from last year's event, and our review indicated that the competition was a significant net cost that could be eliminated without significantly impacting the experience of our customers. Since making that decision, we have come to realize that we'll see additional benefits including more space for close in parking, elimination of the shuttle, and the ability to shift volunteers to other roles. We have plenty of vendors and lots of great food, drink and music lined up. Pray for good weather !

Along with the BBQ, we will be wrapping up our annual Car Raffle. Stephanie got a cheer last week when she announced we are now "in the black". Of course we expect to sell out all 7,000 tickets in order to make the profit that we're counting on to fund our many worthwhile Rotary service projects during the coming year. Please be sure to bring in ALL remaining ticket stubs and money so every entrant is in the barrel for the big drawing. Although we don't expect many, please also return all unsold tickets **this Tuesday August 6**. Talk to Stephanie or Joel before then if you need to make special arrangements. We need them ALL so we can sell out during the BBQ event. See you there !

Last Week In Rotary

Posted by Jim Brook on Aug 05, 2013

Last Week at Rotary, Tuesday July 30 - We heard from **Joni Ellis** that the Club's Guatemala Literacy Project is off to a great start. With our Club's \$10,000 and financial pledges from several other Rotary Clubs, and matching funds anticipated from our District and Rotary International, it has already reached \$169,000. **Mary Anne Johnston** gave special recognition to **Abbey and Jake, daughter and son of Bob and Kelly Lau**, for their very impressive success in collecting almost 400 books from local schools for use by children in Guatemala. There's still hope for the world with young people like those two coming along! Our Director New Generations, **Stephanie Katz**, invited others to join her for the first meeting of the Peaceful Schools Partnership organization. A special request was made for help on the later shifts of Tuesday's Community Dinner - many thanks to the Rotarians who responded, including **David Preaus** and **Mike Whitehill**. By special request, **Joni Ellis** returned with another episode of Guess The Rotarian - clues like "Greek language teacher" and "pig farmer" didn't help us but **Judi LaPoint** finally guessed **Jeff McElhattan** on "home town Trinidad, CO". President Jim encouraged all members to ask their spouses & significant others to volunteer with them at the BBQ, pointing out that our Club's membership

Rotary Picnic

Posted by Ann Morrison Clement on Jul 29, 2013

Ann Clement and David Matthews will bring back the Summit Rotary tradition of a picnic at their rustic Edelweiss Cabin on Boulder Creek Road.

The Rotary Picnic will be held at their Edelweiss Cabin on Saturday, August 24, 2013.

The picnic is from 11:00-3:00. Lunch will be around noon or so.

Those that want can hike to Boulder Lake (about 2-3 hours), can fish along the way or just hike then return and enjoy a picnic. If you want to do this hike, you should leave the cabin about 10:00. David will guide the tour.

The cabin is about 12 miles North on Highway 9 from Silverthorne, and 1 1/2 miles west on CR 1376- Boulder Creek Road. Specific directions will be given later.

Rotarians can bring appetizers, salads, main courses or desserts. Ann and David will have all the paperware (plates, napkins, silverware, cups, etc.)

The cabin has no electricity or water, so all must bring your own beverages in a cooler with ice, etc. All foods must be ready to serve- please no preparations.

Bring fold up chairs. We have some tables and chairs but not enough.

We do have an outhouse! There is no cell phone coverage but the phone at the cabin is 513 1678.

Children, guests, etc. are all welcome. Please no dogs.

Membership

Posted by Debra Irvine on Aug 05, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to

be a greeter. It is just one more way of participating in Club Service.
