#### President's Message by Bill Reetz

Thanks to those many who helped with the BBQ at the Summit. It is a success!!! Thanks too to the many who helped sell the Subaru Tickets. We sold out on Friday afternoon BBQ. The winner was Ray Brown who is here for the summer because the work in F is so slow. He and his family can really use the car.

Congratulations to Rob Irvine and Nancy Hitz for their success and thanks for their hard work the past year on behalf of the BBQ.

#### Historic moments -- Rotary mottoes

Rotary's official mottoes, Service Above Self and They Profit Most Who Serve Best, trace back to the early days of the organization. In 1911, He Profits Most Who Serves Best was approved as the Rotary motto at the second convention of the National Association of Rotary Clubs of America, in Portland, Oregon. It was adapted from a speech made by Rotarian Arthur Frederick Sheldon to the first convention, held in Chicago the previous year. Sheldon declared that the science of right conduct toward others pays. Business is the science of human services. He profits most who helps his fellows best." The Portland convention also inspired the motto Service Above Self. During a convention on the Columbia River, Ben Collins, president of the Rotary Club of Minneapolis, Minnesota, USA, talked with Seattle Rotarian J.E. Pinkham about the proper way to organize a Rotary club, offering the principle his club had adopted: Service Above Self. Pinkham invited Paul P. Harris, who also was on the boat trip, to join their conversation. Harris asked Collins to address the convention, and the phrase Service, Not Self was met with great enthusiasm. At the 1950 RI Convention in Detroit, slightly modified versions of the two slogans were formally approved as the official mottoes of Rotary: He Profits Most Who Serves Best and Service Above Self. The 1989 Council on Legislation established Service Above Self as the principal motto of Rotary, because it best conveys the philosophy of unselfish volunteer service. He Profits Most Who Serves Best was modified by the 2004 Council to its current wording, They Profit Most Who Serve Best. #### Announcements by Rob Waterman

We would like to begin collecting items for another container shipment to Haiti via USA. Needed is a donated site to store the donations as they come in. The storage area should be about the size of a single car garage and in SummitCounty. It can be an unused part of a store, classroom, office or personal garage. It would be needed for approximately 6 months. Please contact Deborah Hage, 262-2998 with any leads, suggestions or to reserve such a space. Thank you.

A construction team from SummitCounty and other parts of the US is leaving for Peru on September 1 to build 8 houses for 46 people. Needed are pots, pans, cooking utensils, dishes (bowls, cups, plates) tableware (knives, forks, spoons), cutting boards and doormats and single fleece blankets. Please bring to Rotary and give to either Deborah Hage or Bill Reetz. Thanks.

Great News! Ticket 94, purchased by Raymond C. Burns of Brooksville, FL was the winning ticket drawn by John Collins, Sales Manager of Subaru/Vista Auto Group of Silverthorn at the end of the BBQ on Saturday. He bought his ticket the very first weekend of sales, August 8, at City Market from either Jackie Boroff or Deborah Hage. Burns is a tile contractor who travels between Florida and SummitCounty for work. The figure is not finalized, however it appears Summit County Rotary, thanks to the great efforts of club members, realized
