President's Message

by [Bill Reetz](#)

Hi. I need some immediate help. Mat Matson a Past Rotary District Governor and his hiking partner Pemba Sherpa from Nepal are hiking the Continental Divide Trail. They will be passing through Summit County on Tuesday the 26th. They have been raising funds for Youth Corps Programs. I wish I had more information about their specific timetable. Bruce Ward of Evergreen will be calling later with more information.

We have been asked if The Rotary Club of Summit County could organize some sort of lunch by the lake or evening gathering at a local establishment where all Rotarians and others could be invited to join in a celebration and hear about their adventures.

Also, if accommodations for Mat and Pem could be arranged that would be greatly appreciated too.

Can you help with this request? Do you have any friends interested in this program who could help?

Please bring your recent issues of the Rotarian magazine to the meeting and leave them with the S@A. We will put labels telling about our Rotary Club over your address label. When you are going to an appointment with a waiting room please take a couple of copies with you and leave them there. Thanks.

See you Tuesday. Wear your Rotary pin proudly.

Announcements

We would like to begin collecting items for another container shipment to Haiti via USAID. Needed is a donated site to store the donations as they come in. The storage area needs to be about the size of a single car garage and in SummitCounty. It can be an unused portion of a store, classroom, office or personal garage. It would be needed for approximately 4 months. Please contact Deborah Hage, 262-2998 with any leads, suggestions or to donate such a space. Thank you.

Club Communications

by Michele Knight

We have 3 new & improved ways to communicate with club members...email blasts, the bulletin, and web forums. If you have official Rotary business to communicate, please email JulieAnne Cobb (Julianne.cobb@bankofthewest.com). To add a story, announcement or "fun fund" tidbit to the bulletin, email Rob Waterman (waterman12@mindspring.com). And, if you have a community event to share, or a new or used item to advertise, please visit the forums link on the club website (www.summitrotary.com). Let's all take advantage of these great ways to share news & info with your fellow Rotarians!
