Last Week at Rotary

by Brook, Jim

Last Week at Rotary

Tuesday, August 21

Our Club's long term Charitable Fund continues to grow thanks to generous donations; Rob Ir Bowman for reaching Peak 3 with his giving, and also noted a donation from former member Tor working in New York City. In her role as "Family of Rotary" lead, Maggie Dew circulated a card fc given to Tom Marmins following his back surgery Monday. Our many guests included Alex Cuadra Iowa where he provided guidance in the formation of a new RYLA program there.... and soon he studies at Princeton University. Jack Watson encouraged all bike riders as well as others to join tl Marilyn and Marc Hogan's farm in Glenwood. Our three 2011-12 outbound Rotary Youth Exchange excellent presentation highlighting their year abroad. Elle Eastman, Jennie Matlock, and Christina members a taste of what it's like to be a teenager in a foreign country, and the emotional conclu: President Joni's tissues were put to good use.

Tuesday, August 14

Those who read their email managed to make it to our special location for breakfast in the SC Frisco. Coming out of the Club's biggest weekend of the year, President Joni ensured that much a recognition was given to all who helped make the BBQ a success (especially Betty Naftz, Wendy I committee heads) and all who helped take the Car Raffle to a sell out level (especially co chairs S Coolidge, along with super sellers Sharon Butler, Bob Ashley, Judi LaPoint, Steve Cornwell, and r Johnston announced the next international Literacy event, and four more Rotarians immediately to join her and Joni on that trip to Guatemala in February 2013. We were very sorry to hear Alex resignation, but wish him well for his move to Denver to begin work with ViaSat. Marlies Hofman was introduced at her first meeting as one of our two new exchange students.

The program was presented by our own Rob Rumrill and his associate Seth Ehrlich, two of onl at SOS Outreach. They helped us understand their emphasis on leadership development for 5,00l come from at risk circumstances, in five communities in the US west. Participants are usually attl by its winter and summer sports opportunities, but they benefit most from learning a broad rang enables them to make better decisions. Using the resources of more than 500 volunteers, the org spend more than 90% of its limited budget on key programs.

7th Annual Bike Ride to Glenwood

by Davis, Kathryn

What a fantastic way to "ride" into Fall!

Don't forget to sign up for the 7th annual bike ride to Glenwood Springs and potluck party at Mar Hogan's New Castle home on Saturday **September 8th, 2012.**

You can ride the whole way.... part of the way..... or JUST SHOW UP FOR THE FOOD!

Community Dinner Update.....

by Hage, Deborah

Sometimes the most treasured volunteer is the one who stays the latest and "mops" up. Our coordinator for the Dillon Community Church volunteers, was the last one to leave on mopping job cannot be done until everyone is out of the kitchen and gone. (Kenny Van der Vliet did the final mopping but after he stays late he then takes on the task of returning boxes and trays to Orowheat.) With Rob stepping in Kenny could leave and get his after dinner coffee earlier. What a guy! It would be such a blessing to us if every group finds someone to

The rest of the wonderful DCC crew served 265 people (74 children) a great meal of soup and bread donated by Rob Lyon of the Mountain Lyon Cafe in Silverthorne

In honor of the first day of school and the high number of children returning to the district, Patty Baumgartner prepared school supply bags for the children and handed them out. Thank you for their thoughtfulness and generosity!

Membership

by Beeler, Peggy

We want to thank all of those sponsors who are identifying community leaders/businesses bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler will then be presented to the Membership Committee for approval and then the Board approved their name and bio will be posted in our bulletin for 3 weeks. If there are no Prospective Members the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a greeter. Because our club is growing and we are experiencing so many guests, greeters are so very important. It is just one more way of participating in Club Service.

New Member Bio

David Null

David is retired and taught courses in Environmental Health Science in California and is a Emeritus at the Department of Health & Science, Ecology, Natural Sciences at CSU, San Bernardino, CA. His wife and I were rotarians and David has been a member of Lions Club, having been a VP, President, Board member, newsletter and more. David lost his wife of 33 years to cancer 12 years ago. He has a daughter in Utah. He loves to hike, jog, ski, travel, likes to collect wine, loves old sports cars, tracing his family looking forward to serving our community in any way he can.
