Did you know that September 21st is World Peace Day? The Rotary Global History Fellowship is celebrating this day with the theme "Right of Peoples to Peace". "Peace is a fundamental right of all citizens and essential for co-existence, well-being and happiness". That said by the Chief Editor of the RGHF newsletter, OJeetendra Basudeo Sharma. To learn more about this Rotary Fellowship go to www.peacehistory.org. HOW WILL YOU CELEBRATE WORLD PEACE DAY?

Are we doing enough when it comes to recycling? What do you do with your old medications? Science and technology continue to produce new and more complicated chemical compounds in medicines. Flushing pills down a sink or toilet is no longer recommended. There are some communities that offer drug take-back programs so that drugs are disposed of properly. What do you do with your old batteries? They can be disposed of at many community recycling centers. Alkaline batteries manufactured in the U.S. are most likely mercury-free. Rechargeable batteries are also recommended to reduce hazardous waste in our landfills. What do you do with your old paint? Once a year our community offers free disposal. Watch for that announcement. Let's work on doing a better job. I am starting today! MAKING GOOD AND BETTER THINGS HAPPEN.

See you Tuesday![Last Week at Rotary](#)

Rotarians volunteering to help and our District Governor will be there. This dinner will serve as a District Assembly of sorts, so if you want to get to know our District Governor better and mix salads with him, this is your chance!

The **9th annual Rotary Bike ride** is on Saturday September 6th. Interested in riding some or all? Talk to Diane Monaghan. The annual party afterwards is at Marilyn Hogan's place - see directions later in this bulletin.

Make a Difference Day is on September 13th - Talk to David Preaus if you can help volunteer. **Karen Wray** joined us this week to remind us about **Dancing With the Mountain Stars**, which is happening on September 13th. There are only a few tables left, so if you want to go, get your tickets soon! **Susan Juergensmeier** reminded us about the Lake Dillon Theatre Rotary night coming up in September.

This Saturday is your last chance to get your Summit Foundation Duck for the annual duck race fundraiser. Lee Zimmerman is the man with the info, or you can go online at www.summitfoundation.org to buy your ducks!

Our current exchange students, **Aylena** from Turkey and **Geraldine** from Switzerland shared a bit about their first weeks in Summit County and introduced their host families. They both started school this week and it sounds like they are already having a lot of fun from Rugby practice to hut trips to concerts. What an exciting year this will be for both them and us!

The big deal this week was that RYLA was in the house! We had a full house with Rylarians (not Rotarians...) and their parents. Paul Harris even got in the RYLA mood sporting a RYLA hat thanks to Lori Burke (one of the senior counselors this year). Lori's daughter pulled the raffle ticket out of the pot, and what do you know, pulled her mother's ticket number. It just goes to show, that being part of RYLA leads to great things. She didn't find the Ace of Spades though, and the big pot lives to see another day.

At the end we were treated to a presentation from the RYLA and YRYLA groups, led by Lori Burke . **Rolo** and **Joni Ellis** ended the presentation by getting many parents and Rotarians to sponsor kids (and 1/2 kids) for next year's RYLA.

Thank you to all who put so much effort in to improving the leadership of tomorrow!

Until next week...

[Membership](#)

Posted by Julieanne Gilchrist on Jul 12, 2014

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **JULIEANNE GILCHRIST**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
