President's Message

Posted by Jim Brook on Nov 09, 2013

Join the Navy

Remember the old ads that offered the deal "Join the Navy, See the World" ? We have a new deal for you. **Rotary Friendship Exchanges** will connect you with new Rotarians friends and some great experiences on the other side of the world. This informal reciprocal program gives Rotarians an opportunity to pair themselves up with a Rotary club in another country. In its most common form, a group of club members and their significant others will travel to the others' country and be hosted in their homes for a few days, then reciprocate as hosts themselves at a later date when a group from the foreign club comes over. No rules, long applications, or fees.... and lots more fun at lower costs than being an ordinary tourist.

Our Club is in the early stages of making connections for a friendship exchange in 2014. Have a look through the Rotary Friendship Exchange Handbook that is published by RI, found in the Download section of our Club website's home page. Think about your preferences for timing and countries, and let President Jim know soon if you might be interested.

Professional Excellence Awards

Posted by Steve Bainbridge on Nov 11, 2013

Summit County Rotarians, it is that time of year again! In one of my inspirations for a Rotary meeting several months back I told of a favorite positive saying in my family from both grand mother DeDe and father Buzz: "Say something nice to somebody today! They will feel good and you will feel good."

The Rotary Professional Excellence Award allows us to do this as well as encourage outstanding citizens in our community to be encouraged to "keep up the good work!" We will be providing a short form to you at the next Tues Rotary meeting, as well there is one attached. Please take a few minutes to think of and nominate an individual you know who is outstanding in their career and community. Turn in to Steve Bainbridge or Gary Nichols by Nov 20.

Prospective Member: LORI BURKE

Lori Burke moved to Summit County in November 1994. She is married to Jeff Burke and has three children, Emily age 16, Sarah age 13, and Sam age 10. Lori has a bachelor's degree in Psychology from California State University, Northridge. She was working in the Summit School District when she decided to make a change, so Lori went back to school and became a registered nurse in May of 2011. Lori feels very fortunate to work as an RN at High Country Healthcare OB/GYN Specialists. Lori remains very active in the Summit schools that her children attend. She was involved with the committee to bring the dual language program to Dillon Valley Elementary, transitioning a dual language strand into the middle school, and is currently working with the High School to get the program into the secondary level next year. Lori believes children learn by watching their parents so she regularly involves them in her volunteer activities which include the Rotary BBQ Challenge, Make a Difference Day, town clean-up days, and school functions. Lori also volunteers at 9 News Healthfair and Backstage Theater. Her interests include reading, attending school sporting events, and spending time with family and friends (usually at school sporting events). Lori hopes to one day have enough free time to re-discover hiking, biking and skiing!

Membership

Posted by Debra Irvine on Sep 16, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
