Posted by Jim Brook on Nov 16, 2013

#### **DG Dan, he's our man!**

District Governor **Dan Himelspach** is capably serving as this year's head honcho for our Rotary District #5450, comprising 67 Rotary clubs and 3,000 Rotarians from Summit County through Denver & Boulder, all the way out to Brush in northeastern Colorado. During a teleconference this past week with club presidents, Dan reported that the \$50,000 recently contributed for flood relief by our clubs (including \$10,000 from Summit Countians) is being deployed for uses directed by Rotary Clubs located in the communities with greatest need, matching their local efforts. He invited all Rotarians to dine with this year's RI President Ron Burton in Denver on January 4 - an annual event here, unavailable in most other Districts. DG Dan also reminded us of the 2 for 1 match by the Gates Foundation on new donations by Rotarians for the remaining PolioPlus campaign. He described the excitement of inducting 24 Rotarians into the new satellite of the Denver SouthEast Club, underscoring his November newsletter statement "It is this combination of the traditional with the new that will make Rotary Clubs with a satellite club incredibly powerful and productive!" He also encouraged all Rotarians to consider committing to the Paul Harris Society now, with new PHS members' donations being matched by a donation of up to \$500,000 from a Colorado Rotarian - please see our own **Bob Ashley**, 5450 PHS Chair, for more information.

Get yourself registered for Dan's District Conference May 2 & 3 in Denver by Dec 15 and save 10%. Thanks to the energy and commitment of DG Dan, Rotary continues to thrive in Colorado!

#### [Last Week at Rotary](#)

Posted by Jim Brook on Nov 16, 2013

#### **Last Week at Rotary, Tuesday, November 12**

\* **Inspiration** by **Maggie Ducayet**, memories moment for veterans, and news from **Bernie**

**Zurbruggen** that ShelterBoxes are already on the way to the Philippines and donations for more are encouraged.

\* **Visitors:** we welcomed Roderick's mother and sister as visitors, and wished prospective member Miro Kovacevic well in his new job with a law firm in Denver.

\* **Literacy:** **Steve Cornwell** reported great progress with lots of volunteers on our annual 3rd Grade dictionaries.

\* **Polio Plus:** **Butch Elich** announced a special speaker and PolioPlus program at Denver Rotary on Thur Nov 21; register in advance; call Butch for more details. (Butch recently agreed to assist President Jim by serving as our Club's point person for District 5450 topics and events.)

\* **Classification Talks:** Long time member **Jack Watson** installed telephones here starting in the 1970's, raised four daughters who all became teachers. He has given much for many years through Rotary and enjoyed it all. **Mac Trench** returned to school after 6 years in the Marines, learned the plumbing and heating trade, and started his own company. Many of our members will testify to the excellent service that Mac provides!

\* **Program:** **Cindy Belz** and **Jim Goddard** reported that the 9 Health Fair, an independent non-profit since 1987, has 17,000 volunteers each spring. With **Linda Lichtendahl** and her team in the lead, we are one of the few Rotary Clubs who run the entire show; most Rotary clubs help in smaller ways. Last year we served 855 people at our 9 Health Fair in Summit County. On Sunday May 4, 2014, the day after our District Conference, we are also invited to participate in a special 9 Health Fair in downtown Denver.

#### [Professional Excellence Awards](#)

Posted by Steve Bainbridge on Nov 11, 2013

Summit County Rotarians, it is that time of year again! In one of my inspirations for a Rotary meeting several months back I told of a favorite positive saying in my family from both grand mother DeDe and father Buzz: "Say something nice to somebody today! They will feel good and you will feel good."

The Rotary Professional Excellence Award allows us to do this as well as encourage outstanding citizens in our community to be encouraged to "keep up the good work!" We will be providing a short form to you at the next Tues Rotary meeting, as well there is one attached. Please take a few minutes to think of and nominate an individual you know who is outstanding in their career and community. Turn in to Steve Bainbridge or Gary Nichols by Nov 20.

#### Prospective Member Bios

Posted by Debra Irvine on Nov 11, 2013

Prospective Member: **LORI BURKE**

Lori Burke moved to Summit County in November 1994. She is married to Jeff Burke and has three children, Emily age 16, Sarah age 13, and Sam age 10. Lori has a bachelor's degree in Psychology from California State University, Northridge. She was working in the Summit School District when she decided to make a change, so Lori went back to school and became a registered nurse in May of 2011. Lori feels very fortunate to work as an RN at High Country Healthcare OB/GYN Specialists. Lori remains very active in the Summit schools that her children attend. She was involved with the committee to bring the dual language program to Dillon Valley Elementary, transitioning a dual language strand into the middle school, and is currently working with the High School to get the program into the secondary level next year. Lori believes children learn by watching their parents so she regularly involves them in her volunteer activities which include the Rotary BBQ Challenge, Make a Difference Day, town clean-up days, and school functions. Lori also volunteers at 9 News Healthfair and Backstage Theater. Her interests include reading, attending school sporting events, and spending time with family and friends (usually at school sporting events). Lori hopes to one day have enough free time to re-discover hiking, biking and skiing!

**If you would like to be a Mentor to a new member** please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
