

# CONNECTING FOR COMMUNITY

The top two reasons people support/join Rotary are to give back to their communities and to connect with like-minded leaders and friends.

## OUR IMPACT

Rotary brings together people like you — people from all cultures and occupations who want to use their skills for good. People whose sense of responsibility inspires them to give back to their communities. Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe. With 1.2 million members worldwide, our global community's impact has never been greater — and it continues to grow. When Rotarians come together and commit to a cause, the magnitude of our impact is clear.

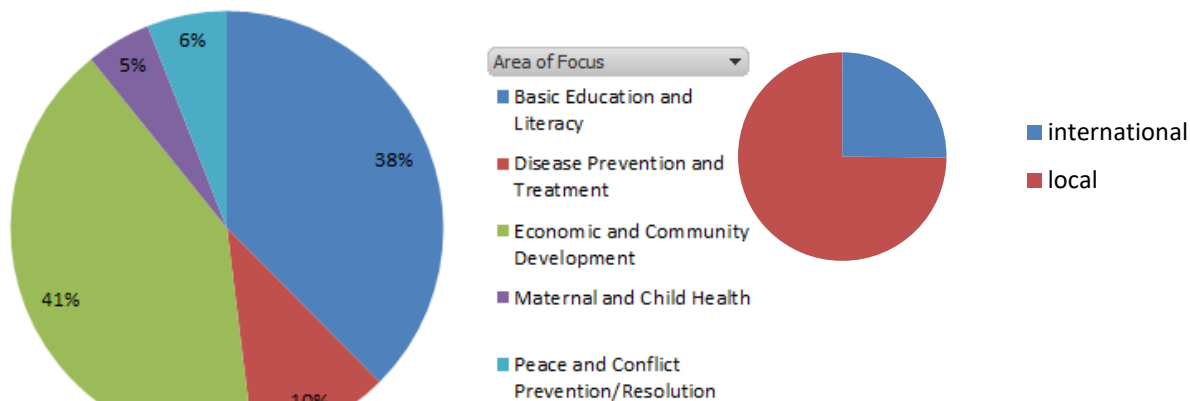

Our motto: Service Above Self.
