The Four Way Test

The Four Way Test of the things we think, say, or do....

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

In The Beginning...

Founded in March, 1992

We are a group of 108 men and women who live and work in Fishers, Indiana, working together to address diverse humanitarian and civic needs. Our club members meet weekly and enjoy fellowship and informative speakers who share topics of local and global importance.

We are passionate individuals who over our 24 year history have strived to “make a difference” at local, national and international levels. The Rotary motto “Service Above Self” conveys the humanitarian spirit of our members and that of the 45 clubs and 2,200 members throughout central Indiana.

The Fishers Rotary club plans and carries out a remarkable variety of humanitarian, educational, youth, and cultural exchange programs that touch people’s lives in both local and world communities. If you’re interested in making new friends and spending some of your free time making the world a better place, we’d enjoy meeting you.

The Bigger Picture

What is Rotary?

Rotary is a world-wide organization of individuals of all walks of life who provide humanitarian service, encourage high ethical standards in our business dealing, and help build goodwill and peace in the world. Our club is part of a 34,000 club world-wide organization, stretching across 197 countries with 1.2 million like-minded members who believe they can change the world through our individual and collective efforts.

Rotary is the world’s oldest service club having been founded by people who wanted to find a way to give back to their communities through their vocations, energy, imagination, and partnerships, while serving those who are in need.
