Dear Principal and/or Counselor,

Each year the Rotary Club of Alameda confers scholarships to outstanding students attending high schools in Alameda. We will be awarding over \$17,000 in scholarships to high school seniors. Scholarship students will receive their grant once proof of enrollment and matriculation to a college or vocational program has been submitted to the Rotary Club of Alameda no later than December 31, 2024.

We ask for assistance from you and your college counselors with the following:

- Distribute the attached letter and application to students that will be attending a college or vocational program in the Fall
- Post the electronic application on your school website
- Recommend one (1) student for a \$500 fine arts scholarship

Each applicant must include a letter of recommendation from his or her high school principal.

Students must electronically submit their scholarship applications and all supplemental requirements no later than **Friday, May 10, 2024**.

Please provide applicants with an electronic copy of your recommendation letter prior to the due date to include in their application packet. We would also like to invite you and your scholarship winners to be recognized at our virtual scholarship award luncheon on Tuesday, June 4, 2024 (12-1:30pm) via Zoom.

Thank you for your support and we appreciate your willingness to excuse applicants to participate in our interview process on 5/29 and 5/30 (12-4pm).

Sincerely,  
Les Hilger, Chairperson  
Rotary Club of Alameda Scholarship Committee
