

Care for Newborns and Hope for Families

We are pleased to announce that the 12th annual Kettering Mayor's Ball for Charity will benefit Brigid's Path and will be held on May 13, 2023. We need the help of community businesses like yours to make this special fund-raising event as successful in 2023 as it has been in years past. For those of you who have sponsored, attended, and made donations to this annual event, we thank you again and hope you continue to support this worthy cause.

Kettering is the home to Ohio's first newborn recovery center, second in the country and now Brigid's Path just celebrated their five-year anniversary. Brigid's Path improves the health of newborn babies and mothers impacted by substance use disorder while offering grace for the past, support for the present, and hope for the future. Brigid's Path employs the latest therapeutic techniques – both medicinal and nonpharmacological – to help babies be as comfortable as possible while they experience withdrawal. Believing in the strength of families and what they can do, Brigid's Path works with community partners to provide resources for our moms to achieve the stability that will help their families thrive. Stories of families thriving, and succeeding are now a part of this community.

Proceeds from the 2023 Kettering Mayor's Ball for Charity will fund the critical work of Brigid's Path to provide inpatient medical care for drug-exposed newborns, non-judgmental support for mothers, and education services to improve family outcomes.

The 2023 Kettering Mayor's Ball for Charity will be held at the Reynolds and Reynolds Research Park Campus on Saturday, May 13, 2023, from 6:00-10:00 p.m. Will you help make it a success?

On behalf of myself & Jim, and all those newborns in our region who need the special level of care Brigid's Path will provide, we thank you.

Warmest Regards,

Peggy Lehner, Mayor-Elect
