Honorary Chair

The Cause

Recognizing the critical importance of literacy to success in school and later life — and the chronic inability of most Providence Public School students to achieve literacy — the Rotary Club of Providence devotes the lion's share of its philanthropy to providing effective teaching tools to help city students become effective readers.

The generosity of Rotarians, friends and area businesses has enabled us to provide more than \$180,000 to this cause. Your support for this year's gala will let us help more students reach the goal of literacy.

Please see the **opportunities for sponsorship** of the Legends for Literacy Gala on the following page.

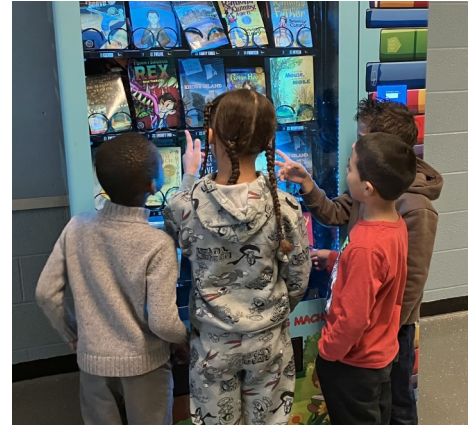

The Event

As a sponsor, you and your guests will have the opportunity to mingle with — even take selfies with — legends from the worlds of pro sports, entertainment, literature, journalism and more. And don't forget to buy a bunch of raffle tickets during the lively cocktail hour.

Following a delicious dinner, you'll learn a bit about the kids whose chances for success in life are getting a little better thanks to the generosity of people like you.

We'll close with a live auction featuring places you'd like to go and things you'd like to own

It's a great evening for a great cause.
