*Rotary provides the opportunity to make a positive impact in the lives of others. - Tom Mais*

*My personal mission is to leave anywhere I have been better than what it was. Rotary offers me both the avenue and the resources to make those things happen. Rotarians are always willing to give of their time, talents and experience. - Barbara Wry*

## PEOPLE OF ACTION

Our club is a proud part of this community and of Rotary International, a global network of more than 1.2 million neighbors, friends, leaders, and problem-solvers. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect, learn, and act. Through meetings, social events, and volunteer projects, members build lifelong friendships and business connections.

Each week our members learn about the issues facing our community and communities all over the world.

Our club offers opportunities for our members — and those interested in making a difference — to address the challenges affecting our community and communities around the world.

## Making A Difference

Solving real problems takes real effort, commitment, and vision. Rotarians are community members working to make our community and world a more peaceful place. Some examples of recent projects include:

- Downtown beautification
- Dictionaries for 3rd graders
- Happy Bucks collections benefiting nonprofits
- Clothing donations for human trafficking victims
- Sending students to the Rotary Youth Leadership Awards experience
- Meals for clients of local nonprofits
- Sponsor middle school Interact service club
- Annual Signature Project to benefit community
- Support Rotary International's efforts to end polio, once and for all
- Grocery Grab fundraiser to support local service projects

## Rotary's Values

Our beliefs and values are based on the Rotary motto of "Service Above Self", and we measure our actions by the Four-Way Test:

### Of the things we think, say or do:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
