## PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

## OUR PROJECTS

Rotary provides the opportunity to perform regular service projects alongside friends. Our club is nimble enough to be able to quickly respond to our community's needs, and to connect with other groups to make a real difference.

Rotary International's six areas of focus protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

Some of our club's projects include:

- Supporting Shawnee Mission North High School's One Stop Shop Food Pantry and coordinating design and funding for an outdoor classroom
- Litter clean-up through Adopt-a-Street program
- Home repair projects with Habitat for Humanity
- Landscaping and indoor painting at Growing Futures Early Education Center
- Providing an AED device to the public and hosting CPR training with the local fire district
- Tree Planting with Bridging the Gap
- Bell ringing with the Salvation Army.
- Purchasing water filtration systems for low-income communities in Guatemala.

Rotary gets me out of my niche and allows me to interact with other caring professionals.

— Barb J.

I like the camaraderie, and participating in service together. You get out of it what you put in.

— Dennis M.

Wherever you go in the world, you are welcomed as a friend by other Rotarians.

— Taylor H.
