Life Jacket Station Installed at two lakes near Lincoln May 31, 2017

A couple of groups want to keep people safe on the water this Memorial Day weekend.

The organization, Josh the Otter, and the Lincoln East Rotary Club built some life jacket loaner stations. They put one each at Pawnee and Branched Oak. If someone needs a life jacket, they can borrow one and put it back when they're done.

Update from Blake Collingsworth on Life Jacket Stations
