**Wayne's Announcement to the Lincoln East Rotary Club Board of Directors**

Earlier this month, after a conversation with a fellow Rotarian, I mentioned that I would be relinquishing some of my club responsibilities after the first of the year. He agreed that I should and suggested that I become a mentor to new or current members for those duties, which I would be willing to do. With that in mind, this is what I plan to do:

First, I probably have 1,000 files in my Rotary folder on my computer accumulated over the past 18 years with my different responsibilities; they would be an excellent resource for the Club.

Second, I will be relinquishing these duties: Teacher of Month Chairman (18 years), Rotary Board of Directors (10 years), Editor and Publisher of the Spoke Newsletter (four years), Police/Fireman Publications (15 years).

I will continue on the Lincoln East Rotary Foundation Board of Directors as Treasurer and the Zambia Board of Directors as Treasurer and Social Media Marketing support.

A special thank you to Dean Douglas who invited me to Rotary in September of 2001 and became my sponsor as a new member of the Lincoln East Rotary Club. Dean had me working at a Softball Fund Raiser before I was "officially" inducted into the club on October 1(my birthday). My wife, Nancy, and she is usually right, told Dean about five years later, that joining Rotary was the best thing to happen to me, and she was right. Another special thank you to Ernie Hines as an excellent mentor "the best" for me as President-Elect; I was well prepared before I became President in 2004. Also, a special thanks to Ozzie Gilbertson for answering the many questions and helping me with the Club budget.

I look forward to many more years as a Rotarian.
