## Community Focused with a Global Reach

We are part of Rotary International, which is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change—across the globe, in our communities, and in ourselves.

## Ways We Impact Our Burlingame Community

Rotary Club of Burlingame members work together to:

- Support local public education through scholarships, international student exchanges, and volunteer resources.
- Provide funding to numerous community organizations, including youth development camp, pre-K literacy, dental services, teen suicide prevention, and grocery assistance programs.
- Sponsor International Aid projects initiated by our club.

## About Rotary Club of Burlingame

Our club was chartered in 1925 and has been active in Burlingame for almost 100 years. We are part of Rotary International, which has clubs in 140 countries.

Our members have diverse business, professional, and community leadership backgrounds, in both the private and public sectors. And, we represent all age groups. What we all have in common is a desire to give back to our community—primarily through service projects and fundraising for scholarships and local nonprofits. The best part of our club is that we make a difference and have fun as Rotarians while doing so!
