How does your partnership help Rotary?

The money raised is donated to local non-profits, like the Boys & Girls Clubs of the Cedar Valley, and used for Rotary projects that make our community and world a better place.

Money raised supports our Rotary Club's service projects such as Operation Warm (giving winter coats to local kids) and provides basic essential items for children and families in Nicaragua.

Our Rotary Club invests in our community through a grant process that supports specific projects and needs for local non-profit organizations.
