Dear Waterloo Rotary Club,

With the coronavirus (COVID-19) situation evolving daily, it's important to know UnityPoint Health – Allen Foundation is responding.

So can you.

Your compassionate gift will help our doctors and nurses – who stand ready at the front lines.

Many people in our community depend on us for care. We are here and ready to take care of you. From ongoing illnesses, fixing broken bones to treating cancer, your support allows us to continue to serve patients and families who depend on us every day.

Now more than ever, a strong and thriving health care system is vital and we need the support of our community – YOU.

Additionally, UnityPoint Health – Waterloo is seeking donations to help with direct patient care. If you have any of these items listed below and would like to donate, please drop off at Entrance 2 (open 7 a.m. – 6 p.m. Monday – Friday), Entrance 4 (open 24/7), or Entrance 8 (5 a.m. – 7 p.m. every day) at Allen Hospital. If you have items but are unable to deliver, please call the Allen Foundation at (319) 235-3960.

- Face shields
- N95 masks
- Procedure masks
- Isolation type gowns (non-sterile)
- Water shedding type gowns (non-sterile)
- Safety goggles

The work of the Allen Foundation is critical during times like these. Donations will be used to acquire these necessary items, as well as meals, pay for new scrubs and other support needed for our healthcare workforce. Please consider making an online donation at www.unitypoint.org/waterloo/donate-now, calling us at (319) 235-3960 or mail your generous donation in the envelope included with this letter.

(Over, please)

Thank you for standing with us and for ensuring that we have the resources available to continue serving patients and families who need us.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Lind". The signature is fluid and cursive, with the first name "Mike" and last name "Lind" clearly distinguishable.
