Announcing two new Ambassadorial Scholars to represent District 5790 internationally in 2010-2011

The purpose of the Ambassadorial Scholarships program is to further international understanding and friendly relations among people of different countries and geographical areas. The program sponsors several types of scholarships for undergraduate and graduate students as well as for qualified professionals pursuing vocational studies. While abroad, scholars serve as goodwill ambassadors to the host country and give presentations about their homelands to Rotary clubs and other groups. Upon returning home, scholars share with Rotarians and others the experiences that led to a greater understanding of their host country.

Vanessa Bilanceri a native of **Hurst, Texas** was proposed by the Rotary Club of Hurst-Euless-Bedford

Marcello Ostria a native of **Bolivia** was proposed by the Rotary Club of Flower Mound

Both winners are very excited about their opportunity and Vanessa has written the following letter of appreciation to our club:

Vanessa also sent a thank you letter to our Club expressing how proud she is to be represented by the HEB Club.

A small portion from Vanessa's letter:

"Greetings from Washington, DC!Thank you for your encouragement and support through the application and nomination process. I am proud to be represented and supported by the HEB Club!" "I especially appreciate all of the guidance and support over the past year from Paul Lucas, who has been an amazing champion for me! I also want to thank Georgia Kidwell, Guillermo Olarte and Walter Ott for their encouragement and endorsement."
