High School Speech Contest. Congratulations to Aidan McGowan, freshman at Bishop O'Connell High School, who earned First Place at our club's annual High School Speech Competition on Mar. 3. The theme was this year's Rotary theme "Be A Gift to the World."!

Maternal & Child Health Month. At least 7 million Children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, Rotary International provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Their projects ensure sustainability by empowering the local community to take ownership of health care training programs.
