July 20, 2026

Dear CLPA friend,

You are warmly invited to **Wojno & Cheese**, a special gathering on **Sunday, August 23** at the **Mustill Store Museum**, honoring the life and legacy of **Virginia “Ginny” Wojno-Forney**. Ginny’s fortitude and spirit led to the founding of our organization in 1989, and nearly four decades later, her dedication to community, history, and public space continues to guide our work. As we move forward, we look to steward our public assets in ways that uplift the Cascade Valley neighborhood and the City of Akron — connecting our past to our future, and our community to one another.

This event offers a moment to appreciate her contributions, marked by an installation for our memorial garden, while reaffirming our commitment to her vision. The **celebration** will take place from **3 to 4 p.m.**, offering time to reconnect over light refreshments and a brief program. We invite you to continue the festivities from **4 to 6 p.m.** with music from **The Delta Hand Band**, the final segment of our *Jazz on the Trail* summer series.

Admission is **free**. Kindly **RSVP by August 16** to info@cascadelocks.org.

We welcome donations to the **Virginia Wojno-Forney Legacy Fund** for those who wish to support the continuation of her legacy. Checks may be made payable to Cascade Locks Park Association or contribute online at square.link/u/mDjteOVM.

If you wish to **stay connected with CLPA** moving forward, please share your email address with us at cascadelocks.org and follow us on our social channels for updates on museum hours, volunteer opportunities, upcoming art installations, private history tours, and engaging programming — including *Free Lunch Fridays* and the second annual *Akron Oatmeal Festival*.

We look forward to gathering together in Ginny’s honor with you.

With gratitude,

Megan C. J. Moreland
