Great Time is Par for the Course!

Come join us for the 30th Anniversary of one of the most unique challenges for either an extreme sports enthusiast or a hobbyist golfer, is the arctic golf experience of Akron Rotary’s Chili Open Golf Classic.

The Arctic Course
On Saturday, February 1, 2020, nearly 500 polar bear golfers will converge on the scenic Hale Farm and Village in Bath. On that date, the grounds of this historic location will be transformed into five golf courses with nine holes each. Hole distances will range from 65 to 125 yards. Golfers will be challenged to drive shots across tundra and putt balls laden with ice. Just as in any respectable outing, there will be awards for the closest-to-the pin and the hole-in-one.

What to Wear and Bring
Whitey’s Chili does a great job of warming you up, but you’ll want to dress appropriately for the day’s weather conditions. Extra golf balls are a good idea - we recommend orange. Bring as many golf clubs as you like. Chili Open golfers prefer irons ranging from seven to wedge and a putter. Golf bags are optional.

The Warm Up
Each registered golfer is invited to attend the Akron Rotary Chili Open Warm-up Party inside the Hale Farm and Village Clubhouse. Golfers will have the opportunity to enjoy some food, beverages, get warm and relax.

Your Support
The main purpose of this event is to raise operation funds for Akron Rotary Camp. Your participation in the 2020 Akron Rotary Chili Open Golf Classic will help more than 1800 children and adults with disabilities spend a week at Akron Rotary camp, operated by the Akron Area YMCA. Each year, children with special needs come from all over Ohio to enjoy a week of camping, crafts, team building, fun and more.
CREATING A WORLD WHERE THERE ARE ONLY ABILITIES

About Akron Rotary Camp
Akron Rotary Camp for Children with Special Needs was founded in 1924 to meet the needs of children with disabilities and their families. While at camp, children with polio were able to participate in activities that helped build their self-esteem and physical endurance.

Today, the mission of serving children and families is still very much alive in all of our programs. For staff, it’s more than the summer experience or respite weekends, it’s about doing what is right for our campers and their families. We collaborate with parents, organizations and agencies to meet the needs of individual campers, while at camp and in the community.

Rotary Camp Fun Facts

- We served 1,052 children and adults with a wide range of developmental and physical disabilities and mental health disorders through our day and overnight summer camp programs.

- We provided 486 hours of Occupational Therapy, Speech Therapy and Intervention Specialist Services through our Day Camp+ Program.
- No camper is ever turned away for their inability to pay!
- To date, we have awarded $109,850 in financial assistance.
- 37% of the campers we serve are of a minority race.
- 49% of the campers we serve reside in Summit County and 28% in Portage County.
- We employed over 80 seasonal camp staff. Seven were international staff representing Australia, Columbia, England, and Ireland.
- We took 80 canoe/kayak trips on the Portage Lakes.
- We had 9 Wacky Campfires, sang 90 songs and had shared lots of laughter.
- Our campers enjoyed 120 hours of swimming.
- Volunteers spend over 2,600 hours of their time to complete projects about camp.

At Rotary Camp we change lives! We help individuals with disabilities create, learn and grow in safe and caring environments. When campers leave Rotary Camp at the end of each session, they not only leave with lifelong memories and friends, but they often show more independence as well as a greater understanding of themselves and their abilities.
