Sponsorship and Registration Form

For 100 Summers, Rotary Camp has been a cherished and trusted viable resource in the Akron area, in providing campers with special needs with the opportunities to experience traditional camping activities, develop friendships, learn life skills and create memories that will last a lifetime.

Rotary Camp will serve 1,200 children and adults with a wide range of developmental and physical disabilities and mental health disorders through our day, overnight and year round respite camp programs. Your support will ensure that no child is turned away due to the family's inability to pay. Allowing their child the opportunity to attend camp, enjoy the outdoors, discover their abilities and succeed beyond their dreams.

Your participation will continue to strengthen the Camp's mission of
Creating a world where there are only abilities!
