Katy Miller is a passionate entrepreneur and dedicated community leader with a heart for service, connection, and making a meaningful impact. Her leadership journey began in the schools of her daughters, where she served in nearly every PTA role from elementary through high school. After her youngest daughter graduated, Katy expanded her reach by joining the Junior League of Akron in 2014 and becoming an active member of the Rotary Club of Akron in 2015. Through her involvement in Rotary, Katy discovered a deep passion for service, leadership development, and forming lasting, meaningful relationships.

As Vice President of the Akron Rotary Foundation Board of Directors for nine years, Katy has shown exceptional leadership and dedication to service. She is looking forward to her upcoming year as President of the Rotary Club of Akron, where she will continue to inspire growth, service, and fellowship within the club. Guided by the Rotary's 4-Way Test, Katy continually strives to create positive change, ask important questions, and promote goodwill in all aspects of life.

Katy's commitment to her community extends beyond Rotary. She is a member of The Christ Child Society of Akron, where she continues her work of making a difference for those in need. As a graduate of Leadership Akron Women's Network CLI, Class 3, Katy embraces her CliftonStrengths—Harmony, Positivity, Adaptability, Responsibility, and Maximizer—using these to foster collaboration and create spaces where people can truly thrive.

Professionally, Katy works as an independent consultant with Touchstone Crystal by Swarovski and Rodan + Fields, helping women feel empowered through beautiful jewelry and skincare solutions. She also has experience as a personal stylist with Chloe + Isabel Jewelry and supports her husband, Tim Miller, at Insurance Service Agency Inc. by assisting with office operations and accounts payable.

Married in 1987, Tim and Katy are proud of their family, including their daughters, Ali Miller, Lindsay and Keith Lewandowski, and Casey Miller, as well as their cherished grandchildren, Robbie and Gabriella Lewandowski.
