UNLEASHING HUMAN POTENTIAL FOR GOOD

**WEST AFRICA CENTRE
FOR PEACE FOUNDATION**

**PEACEJAM
GHANA**

The West Africa Centre for Peace Foundation (WACPF) is a non-governmental organization that serves young people in schools and communities in Ghana through training and education on human rights protection, leadership, peacebuilding, and other issues affecting the development of our world.

Our world grows more divided each day, with politics, greed, and mistrust tearing communities apart. Youth often bear the greatest burden – manipulated into hate instead of being guided toward peace. Many lack support at home yet hope remains, beginning with us.

WACPF has long connected young people with Nobel Peace Laureates, equipping them with skills in conflict resolution, leadership, empathy, peacebuilding, and entrepreneurship and innovation.

Our message has inspired countless youths to choose dialogue over division. With growth ahead, we are ready for the next bold step.

The **West Africa Peace Centre** marks a monumental step in expanding programmes for youth in urgent need of enrichment and leadership opportunities. It will serve as a hub where young people are empowered to address challenges and create solutions within their communities.
