HELLO NEIGHBOR & FRIEND:

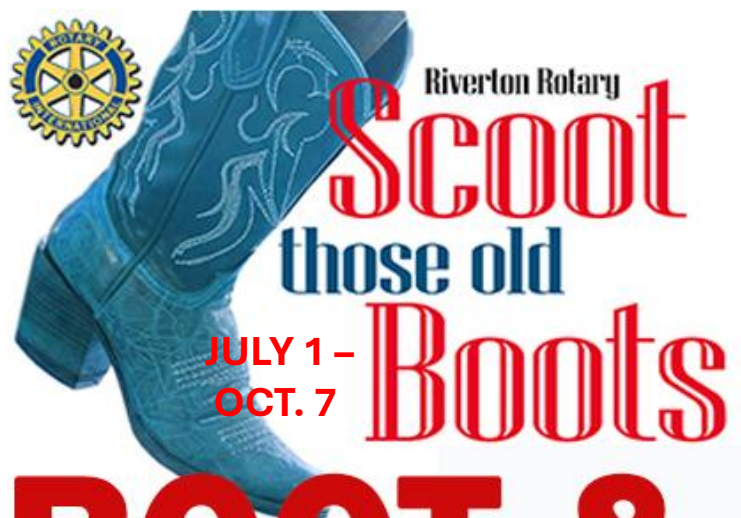

## GIVE YOUR OLD BOOTS & SHOES NEW LIFE!

I'm asking for your help collecting shoes for Riverton Rotary. You can clear out all those old, gently worn boots and shoes that have been sitting in your closet since forever, and I'll be happy to come take them off your hands.

At the same time, you're helping Riverton Rotary earn monies for community projects. **Its really easy!**

*First, find the pairs of shoes you want to donate (no singles please), with good soles, no mold, no holes.*

*Then, I'll come around the neighborhood on this date: \_\_\_\_\_ to pick them up. Questions? Contact me at:*
