

Riverton Rotary

SCOOT

those old

BOOTS

shoe drive

JULY 1 –
OCT. 7

WHY DO THIS?

- Clean out the closet
- Keep shoes out of the land fill
- Help Rotary earn funds for community projects like park improvements, scholarships and more.
- Help micro-biz in 21 developing nations around the world.

ASK ME HOW WE CAN MAKE THIS WORK EASILY FOR YOUR STAFF.

My name:

Contact info:

Dear Employer:

The Rotary Club of Riverton is seeking your support for our Boot & Shoe Drive, as we raise funds for Riverton community projects.

You may know of some of the things the club does; we develop and improve Riverton parks, provide books to schools, award scholarships to graduating seniors and a lot more.

The more shoes we collect, the more we earn, the more funds we can use for the benefit of Riverton.

You can help by allowing us to ask your employees for shoe donations.

We make available: a drop-box for use in a central location, emails and fliers to use with staff, a central contact person to empty the box regularly, answer staff questions, and promote the program.

Dear Business Leader:

The Rotary Club of Riverton is seeking your support for our Boot & Shoe Drive, as we raise funds for Riverton community projects.

You may know of some of the things the club does; we develop and improve Riverton parks, provide books to schools, award scholarships to graduating seniors and more.

The more shoes we collect, the more we earn, the more funds we can use for the benefit of Riverton.

We'd like you to consider becoming a **drop-box location** for the boot & shoe drive. All that means is we'll give you a display box to collect shoes, and we'll pick them up regularly.

Then, we'll promote your location through printed fliers, social media posts, with local media and more. You get the added benefit for more foot traffic into your location and we get more shoes.
