Computers for Mibbinbah Indigenous Mens Group

by Kerry Kornhauser

Computers for Mibbinbah Indigenous Mens Group

In very good news RCAP has secured 50 computers with software for the Mibbinbah Indigenous Mens Group. The cost to the club is about \$25 per machine for software licensing – so that is an excellent outcome.

The mens group is delighted and they are going to Kuranda, Herberton, Mount Isa, in North Queensland, Croydon Victoria, and Tamworth in NSW, Darwin, Port Augusta and Perth. These communities are very keen to be involved with the community project.

It is expected that it will be an ongoing project for 2011/2012.

Last Weeks Speaker - Barry Hickman

Violence Free Families

The presentation on the Violence Free Families organisation was given by Mr Barry Hickman rather than Dr David Smyth. Barry is on the board of Violence Free Families and is also a member of the Rotary Club of Brighton. Barry gave an excellent background on the issues before outlining how Violence Free Families have addressed the problems through a variety of programs. The achievements of the group are very impressive and it is a credit to the Rotary Club of Brighton to have made the beginning to the group and to have supported it over a long period.

June is Rotary Fellowship Month

JUNE - ROTARY FELLOWSHIP MONTH

- Share a common interest in worthwhile recreational activities (sports, hobbies, etc.);
- Further vocational development through acquaintance with others of the same profession;
- Make new friends around the world;
- Explore new opportunities for service; and
- Have fun and enhance their experience in Rotary.

What are the benefits for Rotarians in joining the Rotary Fellowships? Fellowship provide opportunities for Rotarians to make lasting friendships outside their own Club, District or country. Fellowships contribute to the advancement of world understanding and peace. Also, Fellowships serve as an incentive for attracting new members to Rotary and retaining our existing members. Indeed, Rotary Fellowship, together with the Rotarian Action Groups, serve as an effective tool in promoting membership development and should be actively promoted in our Districts.
