

Proposed Rotary Car Rally Sunday 18th February 2018

In response to several queries re the car rally, here is a brief description of what we have planned

Arrive at LSV headquarters approx 9.15am

After briefing and question hand out, cars will depart from approx 9.30am at intervals of a few minutes.

Driving will be approx 2 – 2.5 hours allowing time to stop and source answers to questions.

Cost to enter will be \$15.00 per head, this will cover the cost of hiring the picnic area, and the prizes to be awarded.

\$10.00 per car is to be paid as an exit fee from the park, which will be our finishing point. Balance of money will be given to RAP.

In the park we have our own undercover bbq area, with tables, chairs, bbq, sink, toilets, wonderful views and beautiful parkland.

Bring your own meat etc to cook, or just bring a picnic. We suggest you bring your own drink and coffee if required. No other facilities are available close by.

You are welcome to bring friends, and there is no limit on numbers, although we would appreciate an approximate number of cars, and number of people, who intend to participate, to assist us with our planning and printing of question sheets.

Adrian, Nance, Grace, Ian

Any queries please call Adrian 0418 366 037 or Nance 0408 744 477
