Special guest speaker **GAVIN CROISCA**

**WITH THANKS TO OUR SPONSOR:**

Bringing Property to Life

Gavin played for the **Collingwood Football Club** between 1987 and 2000 during which time he played 246 games, including a Premiership, scoring 64 goals and becoming just the third Queensland born footballer to play 200 games. He played State of Origin football for three teams: Queensland, Victoria and The Allies. After retiring in 2000, he embarked on a career in coaching roles and seemed to have it all.

However, his life changed 5 May 2011 when his world collapsed and he commenced an incredible journey of recovery from his addiction to drugs, alcohol and gambling. To this day he continues to actively assist others in their recovery. Gavin is co-founder of *Sober Living Housing Addiction Recovery* program providing addicts and their families hope as they start their recovery journey. He is now a US Board Registered Intervention Professional.

Gavin will enthral us with his tales on and off the field and especially his story of addiction and recovery.
