

# The Giving Tree

~ PLEASE HELP US GIVE AT CHRISTMAS TIME ~

Christmas is a time of celebration, reflection, family and giving. However, for many people in our Community, there will be no contact with family, nor the financial resources to feel they can celebrate Christmas.

Boroondara Community Outreach are working on distributing hampers to their community and the ladies of the YWCA at Claremont house in Albert Park, with help from our Caspa Care Residents, Staff, Family and Friends Over 500 hampers will be packed and distributed this year to our community in need.

If you can donate any non-perishable items for these hampers, Please hand into reception before December 5th See list attached for item ideas.

Any donations would be gratefully received.

**Thank you for your support**
