

HOUSE SWAP – PERTH (January 2103)

My husband Peter and I are members of the Rotary Club of Hillarys WA and were wondering if any of your members may be interested in a house swap for the week of 12 -19 January 2013.

We are coming to visit our son who lives in Albert Park. Our house is in Woodvale WA - it is a 5 minute walk from Yellagonga National Park which has beautiful walking and bike trails. We live opposite a bus stop with direct rail link to the Perth CBD and 10 minutes driving either way to two large Westfield shopping centres.

We would be happy to lend our car - Nissan Micra automatic for the week. Our home has 2 double bedrooms with a 4 poster bed and en suite in the main bedroom. En suite has a spa bath and bedroom overlooks our beautiful large back garden which is full of flowers.

Mullaloo Beach is a 10-15 minute drive with a pristine beach and of course our Rotary Club is at Hillarys Yacht Club and meets every Monday evening. Hillarys Marina is full of a diverse range of restaurants. I can be contacted by email on sooboo15@hotmail.com or 0430 848511.
