SUSTAINABILITY & CAPACITY BUILDING FOR THE FUTURE

2019/2020 International Update

Sovuzwa Educare Centre

- Support for community based childcare centre in Cape Town, South Africa, on the edge of the impoverished Kayalitsha Township
- R6000 donated in early 2020 to help provide food, clothing and facility upgrades
- 2021 plans to extend care centre with a 2nd room for additional children
- Expansion of capabilities to include meal prep & sales
- Partnership with RC Newlands (South Africa) and RC Malvern

Our Story: Who takes care of us

There are 30 of us (children) at the moment and Nomonde, 2 teachers and 2 volunteers take care of all of us.

2019/2020 International Update

Winds of Hope

- Over 1,000 students reached in 2019/2020 for healthcare outreach programs
- 5 long-term care patients taken on – home care, treatments and care packages provided
- 350 primary and senior (secondary) students sponsored through 2019/2020
- Expansion and NGO registration in Uganda
- Expansion in early 2020 into sustainable farming – piggery, poultry and (in 2021) goats.
