This is a unique occasion for men and women to listen, talk and learn more on gender diversity in the workplace. Have your saying on issues affecting the organisational context:

- Are men and women programmed differently?
- Does biology determine our success in managing job demands?
- Do women expect to achieve less than men?

Book now for your early bird special*.

Proceeds will be directed to *Violence Free Families*, a Rotary initiative that educates Australian families challenged by aggressive & violent behaviour, and the *Kids Foundation*, keeping Aussie kids safe.
