

Big Thanks...

As you know I am leaving RAP and would like to take this opportunity to thank those that have mentored and supported me over the years. Together we have made history with our Women in Rotary, International Women's Day Breakfast, introducing over 5,000 people to Rotary and raising nearly a quarter of a million dollars, 20% of which has been given to RAP. It is the intention of WIR that some of the proceeds of the 2018 Breakfast will go to RAP.

I will continue to mentor the Holmesglen students and all of the payment I receive will continue to be donated to RAP.

I received an email only the other day with a big THANKS for the kitchen garden we installed at Emu Point in the outback of Northern Territory, where they have grown a record size pumpkin!

I would like to say a special thank you to Henry Blatman for his tireless support, patience and financial acumen.

Sadly, Loretta & Henry are also leaving the Club, and I want them to know how much their efforts have been appreciated by me.

At my last meeting I was overwhelmed and I will always have a soft spot for Rotary Albert Park
