Rotary District 9800

Future Club Leaders Seminar
## Learning, Leading and Development Pathways
Join Leaders .. Share Ideas .. Take Action

6. Small group discussion to identify a list of things their Presidents do: Share time. DLT members (present) tell their Presidency Stories and identify one responsibility that they feel is crucial. Participants identify one thing they think is crucial – this list will be collated and emailed out to participants.

5. Discuss the process for becoming a President:
- Prior leadership and team member experiences
- Rotary knowledge
- Club support
- Formal PE Learning and Development
- Enthusiasm
- Belief in a team approach
  Participants document their personal
  'Prepare to Lead' Plan

4. Identify the roles and responsibilities of an Avenue of Service Leader at Club level: Discuss how they can influence the Club Program and inspire Rotarians.

1. Share time
What I know about leadership
What I'd like to find out about Leadership

6. Roles and responsibilities of the President

2. Learning about leadership and Rotary support for its leaders

Individual, small and whole group work with share time and facilitated support and information

5. Leading a Rotary Club

3. Leadership in Rotary Clubs

4. Leading an Avenue of Service Committee

1. Personal Introductions: Participants record 3 significant things about Leadership and 1 thing they would like to find out about it on large Post-It-Note pages. These will be displayed and checked to ensure all items have been addressed by the end of the Seminar. Ask participants who currently holds a club leadership role and who aspires to one?

2. Small group activity: Groups given a description of a leadership style to read/discuss and identify 5 significant features of the style. Share-time. Discuss support for Rotary Leaders - show and tell session.

3. Brainstorm for a list of leadership opportunities within a Rotary Club: Participants develop a Rotary Leadership Mind Map – what do great Rotary leaders do, how do they think?
