

The Rotary Inner Melbourne Emergency Relief Network (RIMERN) is a community service supplying donated furniture and household goods to those in need located in Inner Melbourne. We are now seeking volunteers to join us.

Come and support people experiencing financial insecurity as they settle into their homes. A small amount of your time, on a volunteer basis, will go a long way to assist those most in need.

Volunteers can undertake a variety of roles within RIMERN from being a driver of either our collection truck or van or being the driver's assistant – "a jockey", working in the warehouse, providing assistance to member agencies, their case workers and their clients, answering the telephone, sorting donated household items or doing minor maintenance/repair work, where necessary on furniture. Specialist volunteers are needed to conduct whitegoods and appliance testing, electrical checking and tagging in accordance with Australian Standards requirements.

Time required:

2-3 hr/session, one session in morning and one in afternoon, Monday to Friday or
Saturday session once a month

Meet us at:

32-34 Lincoln Street,
East Brunswick
(Appointment required before attending)
