

ROMAC Information Seminar

**Saturday February 7th 2015
10:00 am until Noon**

**Lifesaving Victoria
Cnr The Boulevard & Todd Road
Port Melbourne 3207
(take the Todd Road exit from the Westgate Freeway)**

Rotary Oceania Medical Aid for Children is a flagship program of the combined Rotary Districts of Australia and New Zealand established more than 25 years ago. Our mission is:

To provide specialist treatment for children, from developing countries, in the form of life saving and/or dignity restoring surgery not accessible to them in their home country

More than 400 children from countries as diverse as Fiji, Vanuatu, Papua New Guinea, Timor Leste, the Solomon Islands and Vietnam are now leading meaningful lives as a result of the efforts of Rotarians, surgeons and other medical staff, hospital administrators and local ethnic communities.

This is your opportunity to learn more about a wonderful humanitarian program and the opportunities that exist for you to make a contribution to the lives of children in our region.

Hear experienced ROMAC volunteers talk about the children we have helped. Presenters from ROMAC Board and District Committees will raise your awareness of the challenges and highlights of the program.

**Please RSVP to Gerry Phillips (Chairman, Rotary District 9800 ROMAC Committee) on 0418 349 024 or gerryph@inet.net.au.
Morning tea will be provided.**
