

NGSE - New Generations Service Exchange Program

Tanuj Dave son of PP Dave of RC Bombay Juhu Beach has applied for an exchange stay under the NGSE program.

New Generations Service Exchange is a short-term, customizable program for university students and professionals up to age 30.

Participants can design exchanges that combine their professional goals with a humanitarian project.

What are the benefits?

- Make connections with service-minded community leaders in another country
- Learn another language
- Build your professional skills and gain international experience
- Travel and explore a new culture while giving back through service

What is an exchange like?

With your host Rotary district, you'll plan activities that can include networking, relationship building, humanitarian service, professional development, and leadership training. Exchanges:

- Last from a few weeks to six months
- Can be arranged for individuals or groups
- Need not be reciprocal

How much does it cost?

Costs vary by Rotary club or district. To reduce expenses, Rotary members often provide homestay options, arrange no-cost internship or job-shadowing programs, and offer other financial assistance.

Tanuj is prepared to fund his stay in Australia.

Request any support you can provide in locating a suitable host organisation where he could be placed for short-term training to gain international experience.

Thank you.
