

## Directions to Typo Station

1334 Rose River Road Cheshunt Vic 3678

**Note: These directions contain distances in kilometres taken from Yarraville, Melbourne.  
All measurements are from GPS and should be accurate.**

- Take Hume Freeway out of Melbourne.
- Several kms after passing under Pascoe Vale Road take Hume Freeway exit, which is the one after the Sydney Road exit, on left.
- Follow all signs north, ie Wangaratta, Wodonga Albury etc.
- Speed limit is 100kms/hour increasing to 110 kms/hour near Wallan.
- There are several speed cameras between Wallan and Seymour, so watch your speed.
- Approximately 35km after passing the Benalla off ramps, take the Milawa Gourmet Region exit.
- This exit is also shown as to C522 Milawa/Taminik. You will need to be in the left lane for this exit so move into it after passing the service centre/Macca's golden arches on left.
- After taking this exit follow right turn signs to Milawa on C522.
- Distance from this point to Typo is 53 kms.
- After 9 kms on C522, turn right onto C521 and follow all signs to Whitfield.
- After 47 kms from the freeway you will arrive at Whitfield.
- At Whitfield do not take the right hand turn to Mansfield. As you go through Whitfield keep the pub on your right had side.
- Follow signs to Cheshunt.
- At 52 kms from leaving freeway enter Cheshunt.
- After leaving Cheshunt keep the sign to Lake William Hovel on your right and do not turn.
- Proceed straight ahead and do not take any left or right turns until you reach Typo Station.
- At 5kms after leaving Cheshunt the road surface changes to gravel. This is generally well maintained but contains some sharp turns and corrugations. This road carries a high volume of traffic so be prepared for oncoming vehicles. It is wide enough to allow easy passing of cars in both directions without the need to pull over.
- Be careful of wildlife, kangaroos, wallabies and the biggest eagles I have ever seen!
- Remain on this gravel road for 7.3kms.
- At 7.3kms look out for the sign on left indicating Corr Creek.
- Typo's entrance gate is directly opposite this sign on your right. Turn into Typo and you have arrived!!
