### Club Vision

Club Vision facilitation helps a Rotary Club design its own VISION, and then sets out the steps necessary to achieve that vision. The result is not a vision decided by the Rotary District or by Rotary International, it is a vision designed and endorsed by the Club's own members that will help to ensure continuity and consistency in its leadership & programming, to set the stage for future progress.

By starting with the end in mind, successful clubs:

- Sustain and increase membership
- Implement successful service projects
- Support the Rotary Foundation
- Develop leaders in the club and beyond

And develop a long-range plan which creates;

- Continuity of leadership, vision and process
- Consistency in programming
- Consensus, solidarity & unanimity in purpose and action

During the session the Members of the Rotary Club of Albert Park will review every aspect of the Club's functions and determine the way forward for the Club.

### Online survey

During the coming weeks all Members of the Rotary Club of Albert Park will be invited to participate in an online survey, which should take between 15 and 20 minutes to complete. This will allow for a current benchmark of your Club to be achieved. The results of your anonymous survey will be forwarded to the Club President Elect, John Williams prior to your Club Vision session.

### Vision Event

The information gathered in the survey will be used as a starting point for the Club Vision facilitation on **Saturday the 23 March** which will commence at 9 am and go for 4 hours. At the end of the 4 hour process the members will have a clear vision of:

- What the Club stands for in its community
- The Club's target membership size in 5 years
- Identification of the Clubs attributes
- Top 3 objectives for each Avenue of Service
- Ways to improve the Club's leadership development
- Understanding of the Club's Leadership Plan

It is anticipated that a good representation of your Members will volunteer to attend the facilitation session. Once the facilitation is completed, various responsibilities will be allocated and implemented at the Club. The entire membership will be given a summary of the outcomes of the session and the plan will then be implemented in the coming month.

The District Club Vision Facilitation Team is looking forward to assisting the Rotary Club of Albert Park with this very important facilitation session.
