

Welcome to The Breakfast Rotary Club

What is Rotary?

Rotary is a global network of 1.4 million neighbours', friends, leaders, and problem solvers who see the world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy and intelligence to take action on sustainable projects. From literacy to peace to water and health, we are always working to better our world, and stay committed to the end.
