

JACKSON HOLE ROTARY SUPPER CLUB

"THE CENTENNIAL CLUB CHARTERED
FEBRUARY 23, 2005"

July 2016

Dear Community Leader:

The Jackson Hole Rotary Supper Club's 12th Annual Wine Tasting & Silent Auction will be Sunday, September 11, as part of the "Taste of the Tetons" sponsored by the Chamber of Commerce during the Fall Arts Festival. Look for us under the Big White Tent on the Town Square! As in past years, we are approaching businesses and members of the community to solicit event sponsorship to support our charitable club projects.

The Fall Arts Festival is sponsored by the Chamber and attracts thousands of visitors and locals alike. All sponsors will be prominently recognized, both at the event itself and via event promotion. As a respected member of our community, your participation would be most appreciated.

This event is our club's major fundraiser of the year. And this year, "Honoring Our Veterans," a local program bringing wounded veterans to our valley for healing activities, will be the primary recipient of funds we raise. Members of our local community greatly benefit from this event as well. Indeed, our community projects include our 3rd Grade Dictionary Project and Raising Readers in conjunction with local pediatricians. We continue to fund the Book Nook at the Children's Museum, and most recently, the new JH Historical Society's Archeological Center and improvements to acoustics in the Senior Center dining room. We support scholarships for high school leadership Rotary camps and the outstanding Robotics clubs. Our club also supports several global projects including Rotary's continuing work to eradicate polio worldwide.

Please sponsor the Jackson Hole Rotary Supper Club's Annual Wine Tasting & Silent Auction. Attached are Sponsorship Tiers and the benefits offered to you in exchange for your generous donation. Sponsorships must be confirmed by August 15.

The Rotary Supper Club's Wine Tasting & Silent Auction is a fun event to benefit worthy causes. As always, thank you for your support and contribution.

Sincerely,

Natalie Thiel Jones, President
