## **WE ARE ROTARY**

---

Rotary brings together people like you – from all walks of life – who want to use their expertise for good. People whose sense of responsibility inspires them to give back. At Rotary, we connect for the benefit of our community – and form lifelong friendships in the process.

Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe. With 1.2 million members in 34,000 clubs worldwide, our global community's impact has never been greater – and it continues to grow.

---

## **MAKE A DIFFERENCE**

---

Belonging to a Rotary club provides members with an opportunity to give back to their communities and to connect with like-minded leaders and friends.

People join rotary for many reasons, including community involvement, personal development, professional networking and camaraderie. But perhaps the most important benefit is the satisfaction you gain from making a real difference in your community and in the world.
