

The Path to Membership

Hmm I'm interested; Rotary looks like it might be a great place to use my skills and make new friends! Guess I'll...

1. Meet with the Club Membership Chair to review Rotary's Purpose, Mission, and Membership Guidelines. *At my convenience*
2. Submit my Membership Application along with a current club member Sponsor to help me present my best self. *Shortly thereafter*
3. Attend the RCFC Board of Directors (BOD) meeting at which my Membership Application is reviewed. *2nd Wed of each month*
4. Anxiously await my Application's presentation (If approved by the BOD) to the club membership. *Following week*
5. Proudly enjoy being inducted as a shiny new member during a regularly scheduled meeting. *Lunch mtg shortly*
6. Enjoy working with my club member Mentor to guide me during my first year of membership. *First year of membership*
7. Use my time and talents to make a difference.
