

**REDDING EAST ROTARY CLUB
2023 – 2024 DUES AND FEES**

Dear Redding East Rotarian:

Each year our club is required to pay dues to Rotary International for each active member, regardless of whether the member has paid for the new year. We are asking members to pay only their dues by the end of July. If you are unable to pay in full, there is an option for half in July and half in January for DUES ONLY. The one-time meeting fee is due and payable by the end of July, regardless of payment arrangements for dues.

Please complete the form below for our new Quickbooks system:
