

Calling any 6040 Clubs interested in interacting with our incoming District 4845, Argentina/Paraguay GSE Team this spring - April 21-May 19, 2017.

Ideas in which your Club may become involved:

- 📌 Ask for a program for your Club.
- 📌 Entertain and also interact with member(s) of the Team.
- 📌 Host a member or members in a Rotarian home.
- 📌 Serve in transportation assistance.
- 📌 Help us with connections , tickets, etc. to events where we might be able to show our guests the 6040 culture.
- 📌 Other ideas

The team will consist of one team leader and 4 members.

If your Club is interested or you have questions, please contact me at so that I may begin making an itinerary. I know many will be interested, however, not ALL will be chosen, but I will try my best. Additional information will be forthcoming as received from District 4845.

Thank you for your consideration and quick response.

Sandra Eckert-Stewart , GSE Past-Team Leader
