VISION AND GOALS FOR 2020/21

President Roy Noe spoke about why he joined Rotary and the benefits of being a Rotarian - being a part of an organization that makes a difference. He said we should promote the “why” of joining Rotary. The 2020/2021 Rotary theme is “Rotary Opens Opportunities” which should include reaching out to young people. Be a mentor to them. Invite them to lunch. President Roy announced that his wife, Rachel, is streaming today's meeting on Facebook live. (Check it out of Rotary Club of Kirksville's Facebook page!) He plans to implement hybrid meetings again in the future. President Roy said his goals for the year include (1) increasing membership by 20 (we now have 73 active Rotarians), (2) increase member participation in the club, (3) pursue the RI President's effort to support young people and (4) achieve the Presidential Citation. *(Summary provided by Sandra Fleak.
