AUGUST 4 PROGRAM: PRIP Ray Klinginsmith shared this update: “Because we decided to cancel the Burgundy Brigade reunion on August 3-5, we had to change the club program for next week as well. The title for the new program will be *Memories of a Special Year* and the speakers will be Dale Schenewerk, Jeff Romine, Ron Gaber, Matt Eichor, and Ralph Cupelli. The title is still subject to change, but the topic of the 2010-11 Rotary year will remain the same. **To enhance the program, we invite our members to wear their light blue Celebrate Ray shirts to next week’s meeting that were produced by our club in 2010-11. And during Happy Bucks, we would like for our members to share their memories of 2010-11, particularly those from the Kirksville Invasion of the RI building in Evanston and/or the New Orleans convention.**”

BENCHES! Danny Pagliai announced the Rotary Park Committee has contributors for both the new benches.

HOT COFFEE AND TABLES FOR CHATTING: Pastor Mark Czanderna said that this will be available at 11:15 am on meeting days, an idea proposed by the social committee. He also said he has a meeting room that he could make available to us.

MISSOURI’S BICENTENNIAL: Dale Schenewerk introduced Jefferson City Breakfast Club Rotarian Carrie Tergin who has been mayor of Jefferson City since 2015 and is co-chair of the Bicentennial Committee. She spoke to us via Zoom about the many projects and events commemorating Missouri’s 200th Birthday. Every county in the state is participating in this celebration. Check this website missouri2021.org which has extensive information. We are welcome to submit “Past Present and Future” time capsule items before the August 10 deadline. The committee also invites contributions to “Missouri Community Legacies documenting the Missouri of today for the Missouri of tomorrow” before the November 30, 2021 deadline. Bricks are also being sold for the Bicentennial Bridge, a 830 ft. 12-foot wide walkway from Jefferson City to Adrian’s Island. Check bicentennialbridge.org for details. Carrie provided her cell phone number if we have questions not answered today: 573-230-7645. **Tourism Director and fellow club member Debi Boughton** then spoke about the projects undertaken here, including providing 450 “Great Walker: Ioway Leader” books from the Notable Missourian series to each local third and fourth grader for them to learn about Native Americans, our county’s inhabitants in 1821. Adair County joins counties throughout the state for Ice Cream Socials on Statehood Day, August 10. Debi said ours will be held from 4:30-6 pm on the lawn beside the Sue Ross Arts Center.
